

## Stopping Benign Reoccurring Effusions

# PACS International Web Symposium 2.0

Saturday, 14<sup>th</sup> February, 2026

7:30 PM – 8.30 PM

### Patron

**Dr. Deepak Talwar**

Director & Chair,  
Metro Respiratory Centre, New Delhi

#### Dear Doctor,

We are excited to invite you to our 2nd season of the first-of-its-kind, PACS International Web Symposium 2.0 at this year's Pinnacle PACS. This is a unique initiative that will provide a preview to the advanced topics in Pulmonology discussed at the Pinnacle PACS 2025 held earlier this year.

This web symposium series brings curated keynote presentations of globally renowned international best researchers who came to India in PACS, coupled with perspectives from top Indian experts through an interactive panel discussion.

This session will bring an International speaker Prof Rakesh K Panchal (UK) live for topic Managing Benign Reoccurring Pleural Effusion along with interactive QA.

#### Why should you attend this Symposium?

- Gain practical tips and clinical algorithms for long-term management.
- Understanding Expert Decision making.

Registration is free but spots are limited, so secure your place today!
