Dear Doctor,

We are excited to invite you to our 2nd season of the first-of-its-kind, PACS International Web Symposium 2.0 at this year's Pinnacle PACS. This is a unique initiative that will provide a preview to the advanced topics in Pulmonology discussed at the Pinnacle PACS 2025 held earlier this year.

This web symposium series brings curated keynote presentations of globally renowned international best researchers who came to India in PACS, coupled with perspectives from top Indian experts through an interactive panel discussion.

This session will bring an International speaker Prof. Kontogianni Konstantina live for topic Bronchoscopy Goes Wrong " Mistakes to Avoid."

Why should you attend this Symposium?

What do you do when a patient sinks during a bronchoscopy procedure?

Learn – Practical tips for managing real-world bronchoscopy related emergencies

- Live Interactive Q&A – Ask your questions directly to the expert

Registration is free but spots are limited, so secure your place today!
