

Approach to Eosinophilic Lung Diseases

PACS

International Web Symposium 2.0

 Saturday, 09th May, 2026

 7:30 PM – 8.30 PM

Academic Director

Dr. Deepak Talwar

Director & Chair,
Metro Centre for Respiratory Diseases,
Noida, India

Dear Doctor,

We are excited to invite you to our 2nd season of the first-of-its-kind, PACS International Web Symposium 2.0 at this year's Pinnacle PACS. This is a unique initiative that will provide a preview to the advanced topics in Pulmonology discussed at the Pinnacle PACS 2025 held earlier this year.

This web symposium series brings curated keynote presentations of globally renowned international best researchers who came to India in PACS, coupled with perspectives from top Indian experts through an interactive panel discussion.

This session will bring an International speaker Prof. Athol U Wells live for topic Approach to Eosinophilic Lung Diseases.

Why should you attend this Symposium?

- Decode the diagnostic puzzle — learn when to suspect eosinophilic lung disease and how to reach the right diagnosis faster.
- Master practical management — from biomarkers and imaging to steroids, biologics, and long-term follow-up.

Registration is free but spots are limited, so secure your place today!
